Approved September Meeting Minutes

Financial Reports were unchanged from August.

Alaska Book Week (October 1-8) – Trish Jenkins updated us on events and are available at <https://alaskabookweek.org/> thanks to the work year included an impressive array of programs, live, virtual and pre-recorded. Trish is thinking about some that could be offered every year such as book talks, talking about new releases, and one talking about works in progress.

Alaska Reads – Lila Vogt reported Paul Greci event at Loussac had a very engaged group. More events are coming up, including several on October 10-12.

Read Alaska Native Challenge – New draft cards were sent to full committee on 9-20. Not much else to report at this time.

UAA/Anchorage Daily News Creative Writing Contest – Anchorage is hosting another year. Three previous category managers have agreed to continue for three more. (As of 10-23 we have a full slate of volunteers—and a list of potential judges.)
